House, Barn & Garden Clearance – Royston

Location: Royston

Services Provided:

- # Waste clearance.
- # Waste recycling.
- # Cleaning & disinfecting.

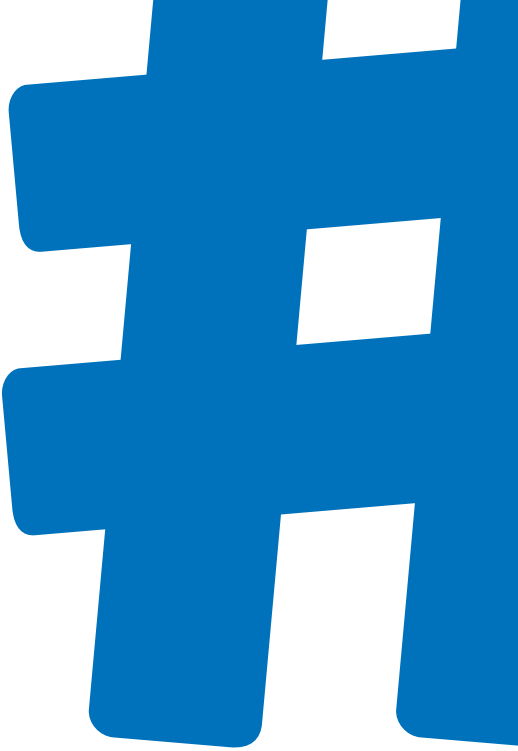

Project Solution:

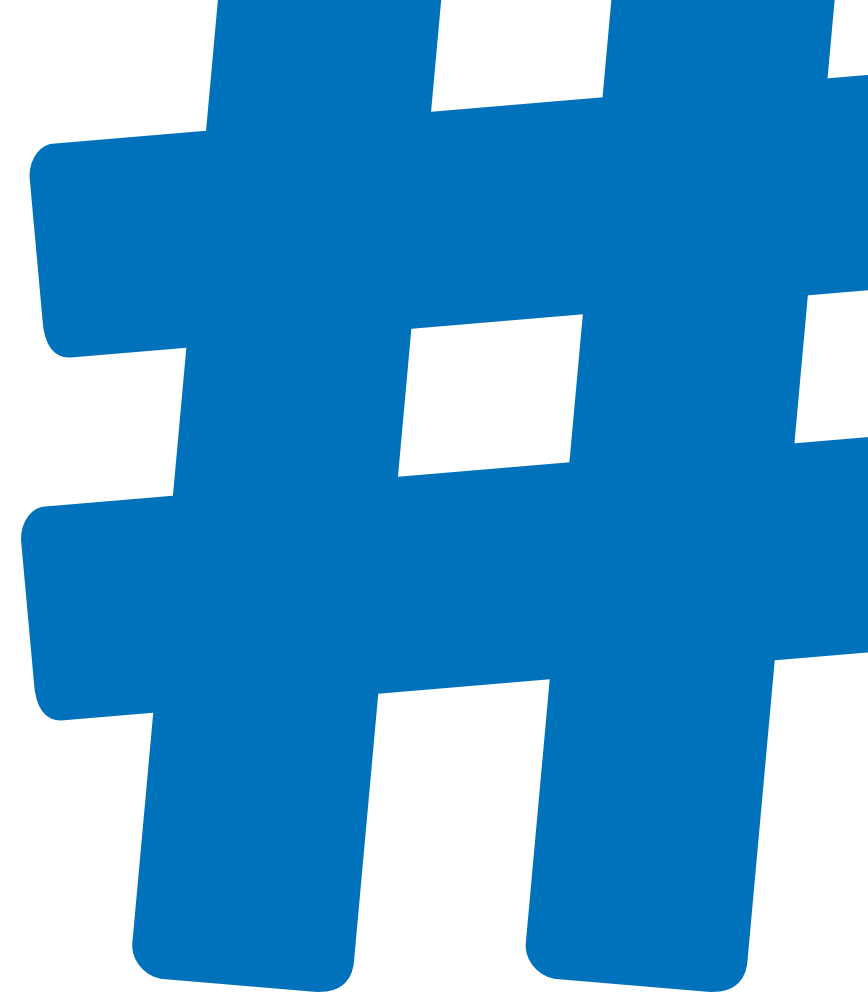

We recently completed a full house and garden clearance in Royston on short notice. The property was particularly large, featuring six bedrooms plus an annex, as well as an extensive barn and the entire clearance was efficiently completed within just five days. Throughout the process, we maintained close communication with both the client and the estate agent to ensure full transparency. Our team worked diligently to deliver a smooth and stress-free experience, meeting all requirements within the tight time frame.

Project Results:

- # Successfully cleared the entire barn, removing approximately 18.5 tonnes of waste and unwanted items.
- # Overcame narrow access restrictions by adapting our approach, ensuring efficient removal without van access.
- # Left the property spotless by thoroughly cleaning after waste removal, making it ready for its next stage.
- # Prioritised sustainability by recycling materials, minimising environmental impact.

Client Testimonials: “You guys have done a cracking job”
